**Samples are made from the Flutter fabric collection by The Quilted Fish for Riley Blake Designs. You will be able to make all the projects from one fat quarter bundle except for the Table Runner, which will require some yardage.*

Samples were made with Heat 'n Bond Lite Fusible Web and Metrosene polyester thread from Mettler.

Shop for recommended materials at AnniesCraftStore.com or at your local craft store. If you cannot find the exact supplies listed, substitute following the specifications given in the materials list (weight, fiber, size, color, etc.). You can take any class without making the projects. Class skills can be learned by working with materials you have on hand to make swatches, blocks or small samples.
